- ✦ Ralphy's Lounge - Saturday, November 26/6:00 to 10:00 PM

Direct Instruction

Parent Teacher Conference is fast approaching and we look forward to meeting you! Please do not hesitate to call or visit our office to speak to us regarding your child's progress in Reading, Language Arts and Math or to discuss the Direct Instruction program.

All of our Kindergarten students have started the Reading Mastery 1 program! All Upi's grade level groups continue to make progress in each program with an emphasis on mastery. The following suggestions are ways to assist your child at home.

Read or have your child read to you daily for about 15 minutes to improve fluency and comprehension.

Write a letter to a friend, relative or Santa.

Play math games or practice math facts for addition, subtraction, multiplication or division depending on your child's grade level.

Tutoring After School

We are excited to start tutoring services for students who need additional support with reading, language and math instruction during after school hours. We are working on the details of time and location. Parents will be responsible for transportation needs. Speak to your child's teacher, come visit us in our office H-101 or call us at the number provided below for additional information.

Most importantly, HAVE LOTS OF FUN and ENJOY the time spent together!

Upi Star Search!

The Upi GATE Program and the Upi PTO would like to invite all students, staff & faculty, and parents to participate in this year's talent show. The event will be held in February 2012 at the Tiyan GATE Theater. It will be a nighttime performance. Yes! The stage, the lights, and their outstanding sound system will be used. It will be a night for Upi's talented stars to shine brightly! The date will be announced later, but it's not too early to start preparing your dance acts, vocal performances, instrumental solos or duets, comedy sketches, or anything else that showcases your amazing talent! **Remember, we want faculty, staff, and parents to perform as well as our students.** There will be prizes and certificates for all! So start practicing and get ready to ROCK the GATE Theater!!!

United Nations

Congratulations!

The top 3 posters were created by: Dayana Umed/5th/Mrs. Blas; Aleandra Gogo/4th/Mrs. Lake; Robbie Ragat/1st/Mr. LaPlante - *Congratulations!*

Counselor's Corner

Hafa Adai, Parents/Guardians! Thank you for encouraging your children to wear their red ribbons and participate in the poster contest last month. Drug, alcohol and tobacco prevention is a lifelong campaign that begins at home. The word of the month for November is **CARING** - to feel interest or concern; to give care - Please note the following dates which coincide with **CARING**: Nov. 13th - World Kindness Day; Nov. 17th - World Peace Day. Upi Totots take great pride in sharing/giving what we have. Please start collecting canned meats, fruits and vegetables for our annual Canned Food Drive, which extends to the month of December. Thank you, again, for helping your children learn, and, more importantly, **SHOW HOW to BE SAFE, BE RESPECTFUL and BE RESPONSIBLE**. There will be prizes for the students who exhibit the "3 BE's" at the end of the month.
